

## PRODUCT INFO

# INSULATED CONTRACTORS DRAINAGE SHOVEL

## DRDRAIN-INS

### DESCRIPTION

Expert Quality, fully insulated drainage shovel designed for working near live cable and wires. Individually tested to 10,000V, guaranteeing safe working on 1,000V and complying to the BS 8020 standards. Manufactured with an epoxy fibreglass core and attached to a fully enclosed insulated shaft with hand slip guard. Each shovel is Supplied with a certificate of conformity, which correlates with a unique traceability number embossed on the shaft. Equipped with a hand stop, this safety feature prevents the hand from slipping onto the steel blade. The shovel's blade is thoughtfully treaded, offering improved grip and efficiency.

### FEATURES
