# INTERNAL PIPE CUTTER

## PTPC875

### DESCRIPTION

The Plumtool Internal Pipe Cutter is a brilliant tool designed for efficient cutting of PVC pipes ranging from 40mm to 150mm. It easily attaches to a battery drill with its 1/4" hex shank, allowing for quick changes and hassle-free use. Equipped with a durable diamond wheel, it ensures precision cutting without the risk of blunting, even if it comes into contact with tiles or concrete. This tool provides a safe and reliable solution for cutting pipes in tight spaces near tiles or brickwork, making it an essential addition to any plumber's toolkit.

### FEATURES

- Brilliant new tool for cutting PVC pipe.
- Will cut pipe from 40mm up to 150mm.
- Fits into a battery drill for easy use.
- Easy quick-change shank.
- Diamond wheel will not blunt on concrete or tiles.
- The safe way to cut PVC when close to tiles or brick work.
