NAIL BITER SHIP AUGERS

SM7 & SM8P SERIES

DESCRIPTION

These Nail Biter Ship Augers are designed with a precision ground cutting edge, making them perfect for cutting through nails and staples commonly encountered in wood frame construction and renovation projects. These augers feature a single blade with a cut-making edge, allowing for smooth and efficient drilling into wood and nail-embedded wood surfaces. Crafted from High Carbon Steel, they boast durability and longevity, making them an excellent choice for professionals in the electrical and plumbing industries. For optimal performance, it is recommended to pair them with an Electric Power Drill, with a recommended drill speed of less than 600 rpm, ensuring precise and controlled drilling in challenging materials.

SKU	BARCODE	SIZE (D)	LENGTH (L)	SPIRAL LENGTH (SL)	SHANK SIZE (d)	SHANK SHAPE	RPM RANGE	WEIGHT
SM7-20	4962660007200	20mm	190mm	135mm	12.5mm	Hex	< 600 rpm	165g
SM7-22	4962660007224	22mm	190mm	135mm	12.5mm	Hex	< 600 rpm	199g
