

**PRODUCT INFO**

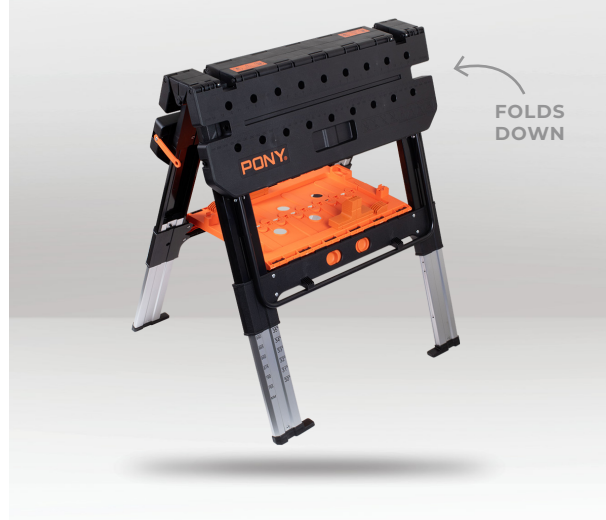

**2-IN-1 CLAMPING WORKTABLE**

**AJP60**

**AS A WORKTABLE**

**AS A SAWHORSE**

**DESCRIPTION**

Pony's convenient 2-in-1 worktable/sawhorse makes for quick and easy conversion for tackling many projects. Works with the Medium-duty E-Z Hold<sup>®</sup> bar clamps, they can be fastened directly to the worktable/sawhorse, as well as hold items vertically or horizontally for greater flexibility while you work. Thanks to its hassle-free breakdown and folding mechanism, this table is easy to transport and store away. In addition, the 6 positions height-adjusting feature allows you to adapt to any size project, enabling you to work at different levels. A built-in shelf provides storage for tools and materials, saving space and keeping everything close by.

**FEATURES**

- Supports up to 226kg (table) and up to 453kg (sawhorse).
- Universal Fit: works with medium duty trigger clamps.
- 6 positions adjustable heights.
- Integrated attachment points allow for clamps and bench dogs to be fastened directly to the table, as well as hold items vertically or horizontally.
- Easily folds down for storage & transport.
