

PRODUCT INFO

POCKET RASP PLANE BLADE

AJP70768

DESCRIPTION

The Jorgensen 6" replacement blade for the Pocket Rasp Plane AJP70760 has a fine-polished, sharp edge, ensuring precise cuts and long-lasting performance. The Pocket Rasp Plane features an easy tool-free blade change - just with a simple twist of the knob, making this blade super easy to attach. Ideal for end-grain work, sheet-rocking, and refining laminate edges. Versatile across drywall, PVC, cement board, and wood.
