

PRODUCT INFO

RASP PLANE BLADE

AJP70758

DESCRIPTION

The Jorgensen 10" replacement blade for the Rasp Plane AJP70755 has a fine-polished, sharp edge, ensuring precise cuts and long-lasting performance. The 10" Rasp Plane has multi-position handle for different work condition use and features an easy tool-free blade change - just with a simple twist of the knob, making this blade super easy to attach. Ideal for end-grain work, sheet-rocking and smoothing edges of laminates. All-purpose blade for use on wood, vinyl, plaster, fiberglass and linoleum.

FEATURES
