PROCHALK[®] HIGH VISIBILITY GLO-ORANGE MARKING CHALK

KS8GO

DESCRIPTION

Keson ProChalk[®] High Visibility Glo-Orange Marking Chalk is a high-quality marking chalk that is proudly made in the United States. This marking chalk is designed for exterior applications such as corrections, plumbing, electrical, roofing, and masonry. It is ideal for highly visible applications that will wear or wash away naturally in a few days. The chalk has a permanence ranking of 2, which means it will last longer than other temporary marking chalks, but still fade away over time. This product comes in a convenient 227g (8oz) bottle, making it easy to use and transport to job sites. Whether you are a professional contractor or a DIY enthusiast, Keson ProChalk[®] High Visibility Marking Chalk is a reliable and effective option for your marking needs.
