INOX PIPE CUTTER

ZE7576-1

DESCRIPTION

The "Inox Kompakt" Pipe Cutter is an indispensable tool designed specifically for stainless steel and InOX tubes. Crafted with a cutting wheel made of alloy steel featuring specialized cutting geometry, it effortlessly slices through pipes up to 2.5mm thick. Its aluminum body ensures durability while remaining lightweight. The quick-release system allows for precise positioning of the cutting wheel, and with both wheel and INOX rollers mounted on needle bearings, cutting requires minimal effort. Equipped with 4 rollers for secure tube fastening, a removable NOGA reamer, tool-free blade change, and an ergonomic knob for added comfort, it's the epitome of efficiency and convenience in pipe cutting. Additionally, a spare cutting wheel cleverly housed in the knob's cap ensures uninterrupted workflow.

FEATURES

- For stainless steel/inox tubes.
- For cutting pipes with a wall thickness of up to 2.5mm.
- Cutting wheel made of alloy steel.
- the wheel can be positioned at the point to be cut.
- Threading of feed screw on steel socket avoids looseness.
- Spare cutting wheel on the cap of the knob.
- Completely removable NOGA reamer.
- 4 rollers for better fastening of the tube.
- Instant blade change without the need for a tool.

USE WITH

ZE6005-9 Cutting Wheel

BARCODE: 8422514757614

CAPACITY: Ø 6-76mm (1/4" - 3")

THICKNESS CAPACITY: 2.5mm

LENGTH: 260mm

WIDTH: 100mm

DEPTH: 35mm

CUTS: InOX

BODY MATERIAL: Aluminium

COLOUR: Grey

WEIGHT: 903g
