

## PRODUCT INFO

# 600mm HAND SAW - BOARD

## GM260H24

### DESCRIPTION

The G-MAN Premium Board Hand Saw is an ideal tool for effortlessly cutting chipboard, block board, and other tough board materials. It boasts specially designed group-teeth that are strategically spaced to facilitate efficient removal of sawdust from the kerf, reducing any potential vibrations. With its new ergonomic soft grip handle, this saw provides exceptional quality and comfort during use. The diamond ground teeth and hardpoint teeth ensure a longer lifespan and deliver a fast cut. Proudly manufactured in Sweden.
