PROCHALK[®] SEMI-PERMANENT RED MARKING CHALK

KS8R

DESCRIPTION

Keson ProChalk Semi-Permanent Red Marking Chalk is a high-quality marking chalk that is proudly made in the United States. It is designed to provide weather and water-resistant lines that adhere for a long time, making it ideal for outdoor applications such as concrete layout, roofing, and metal fabrication. This chalk has a permanence ranking of 3, meaning that it will eventually wear away naturally over time. This product comes in a convenient 227g (8oz) bottle, making it easy to use and transport to job sites. Whether you are a professional contractor or a DIY enthusiast, Keson ProChalk[®] Semi-Permanent Marking Chalk is an excellent choice for all your outdoor marking needs.
