## DRAIN RODS

### DESCRIPTION

The Blue Rods® manufactured by Bailey Products are generally acknowledged as the best quality cleaning rods available which are specified on a world wide basis and are the preferred choice of professionals. Blue Rods have earned an international reputation for their reliability, strength, rigidity, and the right amount of flexibility. The rods are manufactured from the highest grade of polypropylene whilst the joints are manufactured from solid brass to ensure strength and durability during use. These rods are fitted with LockFast joints. They can be rotated in either direction and will remain secure in the most demanding conditions.
