

## PRODUCT INFO

# CLEAT 'N' FEET MOUNTING SYSTEM

## BM-OMCLFTBLK4

### DESCRIPTION

StealthMounts Mounting System is comprised of 4 Mounting Cleat and 4 Mounting Feet. Cleat 'n' Feet can be used to mount anything to a wall or shelf. The Mounting Feet fit securely into our Mounting Cleats creating a Mounting System. Mount any type or brand of storage box, panel or charging station. Our Mounting System is also compatible with the Milwaukee Packout system. Injection moulded in the United Kingdom using ABS plastic with countersunk screw holes to allow for firm mounting. StealthMounts Cleat 'n' Feet is the best way to open up hundreds of new storage and transport options.
