XTRA SLIM SUPER WIDE JAW ADJUSTABLE WRENCH MOD. SWO 92XS

DESCRIPTION

Experience unparalleled accessibility with the Irega Xtra Slim Super Wide Opening Adjustable Wrench. Its innovative Xtra Slim jaw design, up to 50% thinner than conventional wrenches, delivers greater maneuverability. The reduced thickness spans the full length of the jaws, ensuring the utmost accessibility. Crafted from robust Chrome Vanadium Steel, the wrench offers enduring performance. The ErgoTop ergonomic grip, situated above a full handle, is both comfortable and replaceable. Boasting a non-protruding jaw shank at maximum opening, it excels in plumbing, heating, air conditioning, refrigeration, and maintenance tasks. The 6" variant presents a remarkable 34mm opening, 78% wider than comparable wrenches, and weighs a mere 200g. The 8" version showcases a 39mm opening, 62% wider, with a weight of just 335g. Securely blister packed, this high-performance universal tool redefines accessibility and efficiency. IREGA 100% Quality assured.
