

PRODUCT INFO

TRENCHING SHOVEL WITH LONG FIBREGLASS HANDLE

AS00612

DESCRIPTION

Great for creating or clearing narrow trenches quicker and neater, the Atlas Trade Long Handle Trench Shovel is also great for transplanting smaller shrubs. The long fibreglass handle gives it extra strength and leverage and the tempered hardened virgin steel head with foot tread makes digging tough ground with extra pressure easier. Trade quality for strength and durability.

FEATURES

- Long fibreglass handle for extra strength and leverage
- Tempered hardened virgin steel head
- Foot tread for extra downward pressure
- Trade quality for strength and durability
