

PRODUCT INFO  
**COVERED TOTE BAG**  
**JKB-224**

## DESCRIPTION

The Jackman Covered Tote Bag is the ultimate solution for those seeking a durable, heavy-duty toolbox built to withstand even the roughest and wettest conditions. Crafted from robust polyester weave material, it ensures long-lasting durability. The hard bottom rubber base offers enhanced protection against moisture and impacts. For ease of transport, this bag boasts both a sturdy web handle and a shoulder belt with a rubber pad, making it comfortable to carry even when fully loaded. The well-thought-out design includes various pockets for tools and small parts, featuring one large compartment, ten inside pockets, and eight outside pockets. This Jackman Tote Bag is the ideal companion for your demanding tasks.

## FEATURES

- Hard bottom rubber base.
- Easy Carrying: It offers both a web handle and a shoulder belt with a rubber pad for comfortable transportation.
- Organized Storage: keeps your tools and small parts neatly arranged.
- Large compartment offers ample room for your tools.
- Protective Coating: Made from black PVC-coated polyester, it provides durability and style.
