

## PRODUCT INFO

# MAGNETIC NUTSETTER SET

## GFB505

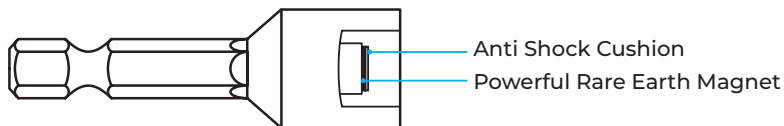

3 PC

### DESCRIPTION

GFB Industrial Tough nutsetters are specifically designed & manufactured to Australian conditions. Rare earth magnets have been used, which means that they are stronger and last longer than standard magnets. GFB nutsetters have a registered design incorporating an anti shock cushion to combat vibration and preserve the integrity of the magnet. Constructed from high tensile steel, GFB nutsetters provide robust performance. The 1/4" hex shank is designed to withstand impact force, making these tools ideal for heavy-duty applications. This 3pc set includes sizes: 6mm, 8mm, 10mm.

#### GFB Registered Nutsetter Design

### FEATURES

- Utilizes rare earth magnets for superior strength & longevity.
- Anti-shock cushion to reduce vibration.
- Made from high tensile steel for robust performance.
- Features a 1/4" hex shank.
- Designed to withstand impact force.

**BARCODE:** 9313234005057

**SIZES:** 6mm, 8mm, 10mm

**LENGTH:** 45mm

**SHANK:** 1/4" (6.35mm) Hex

**QUANTITY:** 3pc set

**PACKAGING:** Carded

**WEIGHT (IN PACKAGING):** 67g
