SHOULDER BRACES

DESCRIPTION

The Buildpro Adjustable Padded Shoulder Braces are the ultimate solution for comfort and support on the job. Crafted from premium Australian-made woven webbing in high-visibility yellow and black, these braces ensure durability and safety. With marine-grade reflective patches, they enhance visibility in low-light conditions. Designed to evenly distribute weight, they reduce strain on your back, making them perfect for all-day use. The padded shoulders provide exceptional comfort, while multifunctional slots accommodate tools like pens and rulers. A convenient back loop allows easy storage, and the fully adjustable design ensures a perfect fit.

FEATURES

- 4 pockets included for pens, pencils, rulers & other items.
- Hanging loop on the back for easy storage after use.
- Used to transfer weight from the wearers back to the shoulders.
- Marine grade reflective patches for high visibility.
- Made from 100% Australian made webbing.
- Padded shoulders for extra comfort.
- Fully adjustable to suit the wearer.
