COMBINATION AUGER BITS

SM6 SERIES

The STAR-M Combination Auger Bits are the go-to choice for wood boring enthusiasts and professionals alike. Featuring a burr-free lead screw, these bits ensure rapid and precise starts, enabling smooth cutting throughout your woodworking projects. Crafted from high carbon steel, they are built to withstand the rigors of heavy-duty use, promising durability and longevity. Whether you're using an electric drill, cordless drill with over 14.4V power, or a quick change impact driver (only on sizes 6-13mm), these auger bits will effortlessly power through your wood-boring tasks, making them an indispensable tool for your woodworking arsenal.
