ALL STEEL CONTRACTORS DRAINAGE SHOVEL

DRDRAIN-AS

DESCRIPTION

The Draper All-Steel Contractors Drainage Shovel is a robust and reliable tool designed for heavy-duty tasks. Its all-steel tubular shaft ensures durability and strength, while the solid forged slim blade, hardened for optimal resilience, tackles tough jobs with ease. The powder-coated finish not only adds extra durability but also shields against corrosion, extending its lifespan. With a comfortable metal YD handle featuring a wooden cross dowel, this shovel offers both functionality and ergonomics, making it an indispensable choice for contractors tackling demanding drainage projects.

FEATURES

- All-steel tubular shaft for exceptional durability.
- Solid forged slim blade, correctly hardened for maximum strength.
- Powder-coated finish enhances longevity and protects against corrosion.
- Comfortable metal YD handle with wooden cross dowel for a secure grip.
