INSULATED DIAGONAL CUTTER CH3371

DESCRIPTION

Channellock 3371 7" XLT™ Diagonal Lap Joint Cutting Pliers with 1000V Insulated Grip work just as hard as you do. With the strong lap joint construction and knife and anvil cutting edge, these durable cutting pliers never back down from any tough job. Our XLT™ Xtreme Leverage Technology increases performance and delivers easy handling, and the insulated grip with a 1000V rating makes sure you stay safe all day long.

FEATURES

- Insulated grip with 1000V rating for safety on the job.
- XLT™ Xtreme Leverage Technology increases performance and reduces hand fatigue.
- Laser heat-treated cutting edges last longer.
- Durable, precision-machined knife and anvil style cutting edges ensure perfect mating and superior cutting edge life.
- Sleeker, lighter design streamlined for easier handling.
- High Carbon U.S. steel.
