

## PRODUCT INFO

# BRASS STAIR GAUGES

### SWSG0020

## DESCRIPTION

Swanson® brass stair gauges are perfect for custom stair installation projects, providing precision accuracy and facilitating repetitive cuts. Designed specifically for stairway construction, these gauges offer exceptional accuracy and reliability, ensuring that each cut is perfectly aligned. With the ability to layout repetitive cuts, they streamline the process and enhance efficiency. The solid brass construction of Swanson® stair gauges guarantees durability and longevity, making them a reliable tool for professionals and DIY enthusiasts alike. Whether you're working on a new stair installation or renovating an existing staircase, these stair gauges are an essential companion, offering reliable and precise measurements every time.

## FEATURES

- Streamlines repetitive cuts for efficient stairway construction.
- Exceptionally accurate and reliable measurements.
- Durable solid brass construction for long-lasting use.
- Essential companion for reliable and precise stair measurements.
