TOOL POUCH AND BELT

JKB-002

DESCRIPTION

The Jackman Tool Pouch and Belt is a must-have accessory for any tradesperson or DIY enthusiast. Its buckle-adjust webbing belt ensures a secure fit, providing the ultimate convenience and comfort while you work. This tool belt is designed to withstand the rigors of heavy use, crafted from durable polyester with a PVC-coated black finish, guaranteeing longevity. With an array of pockets, it caters to all your storage needs: 2 large pockets, 2 medium pockets, 10 small pockets, and 8 inside pockets, offering ample space for your tools and accessories. Furthermore, the 2 hammer loops and a tape measure holder add an extra layer of functionality. The Jackman Tool Pouch and Belt is a practical and robust companion for professionals and DIY enthusiasts alike.
