

PRODUCT INFO

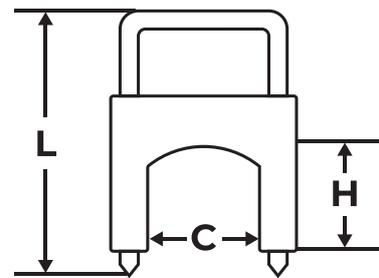

T59 INSULATED STAPLES

ART591188

DESCRIPTION

The T59 Genuine Arrow Insulated Staples are made in the United States from quality steel material and plastic insulator, ensuring your stapled cables will receive a long-lasting fix – first time, every time. The ART591188 is 17mm (11/16") in length, has a insulator height of 6mm (1/4"), with a flat crown width of 8mm (5/16"), and has a clear insulator colour. Compatible with the Arrow T59 Wire and Cable Tacker and other brands.
