OIL FILTER/PVC PLIER

CH212G

DESCRIPTION

Channellock Oil Filter/PVC Pliers combine the strength and reliability of our iconic Tongue & Groove Pliers with the special needs of PVC and oil filters. The 212 has a jaw capacity of 2-1/2 In. to 3-3/4 In. and removes stubborn oil filters from cars, trucks, motorcycles, ATVs and lawn and garden equipment. Channellock Oil Filter/PVC Pliers are made in USA and forged from high carbon U.S. steel that is specially coated for ultimate rust prevention.

FEATURES

- Specially designed for use on oil filters, PVC fittings and conduit.
- Adjusts to fit most car and light truck oil filters.
- Patented Safe-T-Stop feature prevents finger pinch.
- Reliable Permalock fastener eliminates nut and bolt failure with increased joint strength.
- Forged high carbon U.S. steel for maximum strength and durability is specially coated for ultimate rust prevention.
