

## PRODUCT INFO

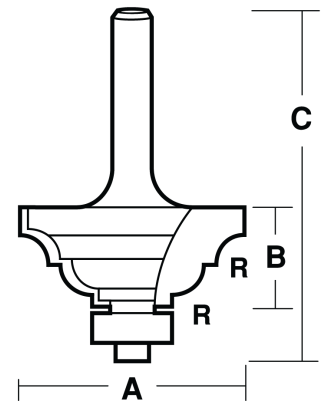

# CLASSICAL ROUTER BITS WITH BALL BEARING

### DESCRIPTION

The Econocut Classical Bit is a must-have for the handyman or DIY enthusiast. This versatile bit excels in creating decorative mouldings that are commonly employed in various furniture and building projects. Its unique design allows it to be used as a combination bit, enabling the inclusion of only a portion of the profile. With a ball-bearing guide, this bit ensures steady and precise cuts. Equipped with two flutes, it delivers a smoother cutting action, while its carbide-tipped construction guarantees longer-lasting sharpness, a superior finish, and cleaner cuts. For the handymen and DIY enthusiasts.
